

Hello Tree Planters!

We received our apple tree shipment this week, so it's time to plant! We have scheduled 2 times/days for tree pick up listed below. (Call if you can't make the dates work) Your tree roots will be placed in a clear bag when you get here for pick up. There may be water or dirt on them so make sure you have a space you can get dirty in your vehicle. The trees are around 6-7 feet tall including the roots.

Care instructions are attached, but if you have questions regarding care, call Troy, 612-940-5672. Remember, there is **NO WARRANTY** on these trees so please follow the care instructions to keep them healthy and alive! Treat them with lots of love!

Thank you so much for supporting our orchard and happy planting!
Tracy and Troy Heald
